At Didsbury Cricket Club (860A Wilmslow Rd, Manchester M20 5QP), we have a **girl's only cricket club!** It's fun and active sport in a safe environment, with **qualified, ECB accredited** coaches.

For training there's no need for fancy equipment - just turn up in active wear!

The first session is free for new members, and then if you want to sign up, it's then £5 per session moving forward. All our sessions are on Monday evenings from 5pm starting late in April. The new season launch is on Sunday 24<sup>th</sup> March 2.30pm at the club.
