Amazing A-levels

Beatrix achieved a phenomenal four A*s and is off to New College, Oxford, to study Philosophy & French. Huge congratulations on such an incredible achievement!

Mr Sanders, celebrating his daughter Lara's 3A*s, said: "We couldn't be more pleased with the school and all that it's done for Lara. She's coming out of it a very, very mature, confident young lady with great results."

Huge well done to Aimee, who will study Dentistry at the University of Manchester, after securing 3A*s in her A-levels! We are so proud!

"Our students have done so well in their examinations this year and have, in their results, reflected the array of interests that they have at school. Our results place us in the very top group of girls' schools in the country and we are extremely proud of the manner in which our students have flourished at this fantastic school. We wish all of our students the very best with the next stage of their educational journeys."
