Preparatory Department Extra-Curricular Programme – Autumn Term 2022

Dear Parents,

We are delighted to launch the extra-curricular timetable for the Autumn Term. Our vast and diverse programme of activities enables pupils to explore and develop new interests: it offers them opportunities to challenge themselves, develop teamwork and leadership skills, make friends and have fun.

Your daughter's class teacher will explain the activities available and assist her in choosing a club she will enjoy. At home, please spend some time with your daughter discussing which activities she would like to participate in. If you have any questions about any of the activities listed, please contact the club leader who will be happy to help. You can find their email addresses in the activity description.

To sign up for a club with limited numbers please email the club leader, stating your daughters full name and class. If the club is 'Open to all Pupils', then you do not need to email the club leader your daughter can just go along.

Extra-Curricular activities will start from Monday 12th September (unless stated otherwise below)

Payments

Many of our activities are free of charge but for some we use specialist teachers from different organisations. For these activities, a payment must be made via ParentPay no later than Friday 16th September

Parentpay payments should be live from Monday 12th September

Limited Places

We aim to allocate places as fairly as possible. However, in the event that the club is oversubscribed, names will be drawn at random, if your daughter is selected you will be notified via email.

After School Activities

If your daughter attends an after-School activity, please ensure she is collected promptly. If your daughter is not collected on time she will be placed into After School Club and a charge will apply. Please let your daughter's class teacher know how your daughter will be collected after the activity.

Uniform

School uniform, ballet uniform or a school PE kit should be worn for all activities.

Ballet
