

EXAM RESULTS

Our students consistently perform at an exceptional level in their A-levels and GCSEs. Manchester High School for Girls was recognised as the Sunday Times Northwest Independent Secondary School of the Year 2019.

A-levels

In 2020, 98% of A-level grades awarded to MHSG students were A* to B. These results are in line with the fantastic performance of our girls from the Class of 2019 and 2018. In 2019, 91% of our students' A-level grades were A*– B and in 2018, 93% were A*– B.

The outstanding performance of our students at A-level is reflected in the courses and university destinations Manchester High girls choose to go on to. We are extremely proud of the academic performance of our girls, and pride ourselves on our pastoral support, the happiness and well being of our pupils and our history of empowering girls to reach their individual goals.

GCSEs

86.5% of all GCSE grades awarded to our students in 2020 were grade 7 or above – and the vast majority of our Year 11 girls chose to stay on to join the MHSG Sixth Form. We are very proud of the girls' excellent academic performance in this and previous years; in 2019 73.4% of our girls' GCSE grades were grade 7 or above (A*/A) - and in 2018 this figure was 69.6%.
